Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 1 Sep 99

(4) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the additional two-year service obligation incurred because of the closure of Oakland Naval Hospital.

2. The Board, consisting of Messrs. Lightle, McCulloch and Tew, reviewed Petitioner's allegations of error and injustice on 13 January 2000, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Enclosure (2) reflects this Board's decision to grant relief in a case similar to Petitioner's.

c. In correspondence attached as enclosure (3), the BUMED office with cognizance over the subject matter of this case has commented to the effect that Petitioner should receive reduction in obligated service in consonance with the Board's previous decision at enclosure (2).

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (3), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

- a. That Petitioner's naval record be corrected, where appropriate, to show he did not incur an additional two-year service obligation.
  - b. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.
  - c. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.
4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
